### PLAYER TESTIMONIAL

My name is Nicholas Fischer and Matt Higgins was my club coach when I was a freshman in high school. Coach Matt taught us many different aspects of the game and had a large impact on my soccer career. Not only did he teach me the tactical and technical parts of the game but he was a great motivator. He provided me with the confidence I needed to get me to where I am today. Coach's leadership rubbed off on me and I became captain for Morris Catholic High School, County College of Morris and I am current co-captain at East Stroudsburg University. I would not have been able to become the player I am today if it weren't for Coach Matt and his mentoring.

"As a professional Soccer Player I have great pride in recommending English Pro Soccer academy for your child's soccer development. The Staff at EPS make learning the technical fundamentals of the game of soccer both fun and engaging for young players. EPS Staff demonstrate a commitment to excellence when teaching essential skills and have an obvious love for the game which becomes infectious in a group environment"
