## Program Description

APhA's Delivering Medication Therapy Management (MTM) Services certificate training program (3rd Edition) presents a systematic approach for developing, implementing, delivering, and sustaining MTM services.

It includes an overview of the marketplace for delivering MTM services, guidance for implementing MTM services in pharmacy practice, a review of essential skills and knowledge needed for performing MTM successfully, and an organized process for identifying medication-related problems.

The purpose of this certificate training program is to prepare pharmacists to improve medication use through the delivery of MTM services in a variety of practice settings.

The Delivering Medication Therapy Management Services certificate training program is conducted in three parts - self-study activity and pre-seminar exercise; live interactive seminar; and post-seminar exercise. A Certificate of Achievement will be awarded to participants who successfully complete all program components, including an evaluation form.

Successful completion of the self-study component will result in 10.0 contact hours of continuing pharmacy education credits (1.0 CEUs).

UAN: 0202-9999-14-158-H04-P

Successful completion of the live seminar component will result in 8.0 contact hours of continuing pharmacy education credits (0.8 CEUs).

UAN: 0202-9999-14-159-L04-P

Successful completion of the post-seminar exercise will result in 3.0 contact hours of continuing pharmacy education credits (0.3 CEUs).

UAN: 0202-9999-14-160-H04-P

Once credit is claimed, Statement of Credit will be available online within 24 hours on participant's CPE Monitor profile at [www.nabp.net](http://www.nabp.net). The Certificate of Achievement will be available online upon successful completion of the necessary activity requirements on the participants "My Training" page on [www.pharmacist.com](http://www.pharmacist.com). Certificate of Achievement will not be mailed. You can download your Certificate of Achievement after you have completed all seminar components.
